Description

4 Bedrooms, 5 Bathrooms, Sleeps 8

This villa is a luxury retreat set in an elevated position in Costa Adeje, offering uninterrupted panoramic views across the south coast, the ocean and the neighbouring islands of La Gomera and La Palma. With generous space, high-end finishes and an impressive outdoor area, the accommodation is designed for guests seeking comfort, privacy and modern design in a premium holiday setting. Sleeping up to 8 guests, it combines stylish interiors with exceptional outdoor living.

Inside, the property extends over two main floors. The ground level features a spectacular open-plan layout of approximately 140 m², designed as a loft-style social space where the living area, kitchen and dining zone blend seamlessly. Large windows frame the coastline and fill the entire area with natural light. This level also includes a guest bedroom, a full bathroom with a window, and an additional guest WC with natural ventilation.

On the upper floor, there are three further bedrooms, each with its own en-suite bathroom and its own private terrace. All bedrooms are spacious and furnished with king-size beds measuring 180 x 200 cm, plus large wardrobes and blinds for comfort. One of the bedrooms is connected by an internal door to a fifth sleeping room,

making it a practical option for parents and children who prefer to stay close. From every room on this level, guests can enjoy stunning sea and coastal views, especially beautiful at sunset or under the full moon.

The designer kitchen is fully equipped for home cooking and dining. Every appliance is from top German manufacturers, including dishwasher, oven with steamer function, induction hob, coffee machine, toaster, juicer and mixer. From tableware to wine glasses, everything is provided with quality in mind.

The exterior is just as impressive. A southwest-facing 300 m² main terrace surrounds the villa and features a 12 x 3.5 m swimming pool with electric cover and a counter-current system, available heated for an additional cost. Sun loungers, an outdoor dining space for up to 12 people and a flexible pergola for shade or sun create a perfect environment for relaxation. A private fitness area is located in the basement. The property offers secure on-site parking for up to six cars, burglar-proof safety glass windows and blinds in all bedrooms.
