

Villa Adela Verde in Palafrugell, 4BR with private pool

Summary

Modern 4-bedroom villa in Calella de Palafrugell with sea views, long swimming pool, terraces, Mediterranean garden and easy access to beaches and restaurants.

Description

This holiday home is a beautifully renovated villa set high above Calella de Palafrugell, in a peaceful cul-de-sac with spectacular views over the Mediterranean Sea and the surrounding countryside. The accommodation was originally built in 1978 and fully modernised in 2017-2018, designed to showcase its location with oversized windows that frame the sea, sunsets and rolling hills like living artwork. It is ideal for one or two families, with space for up to 8 guests.

The villa is arranged over two floors and is filled with natural light. Instead of air conditioning, each room has elegant, silent ceiling fans to keep the house cool in an environmentally friendly way.

GROUND FLOOR

The entrance leads into a bright space with access to a TV lounge and library, complete with a flat-screen TV and a sofa that can convert into a high-quality double bed (1.40m) when needed. Large glass doors open toward the garden and countryside. The open-plan kitchen faces the dining room and garden, featuring an island with induction hob so cooking can be enjoyed while chatting with family and friends. The dining area has a table for 6-8 guests, and a separate living room sits behind a glass-fronted fireplace, opening out to a generous terrace with

panoramic sea and countryside views. This level also includes a shower room with toilet.

FIRST FLOOR

Stairs lead to a quiet upper level with oak flooring, a work desk facing the sea, and three bedrooms: one with two single beds (90 cm) that can be joined into a 180 cm double and direct sea views; a second bedroom with a double bed (140 cm) and a small private terrace overlooking the countryside; and a suite featuring a central king-size bed, panoramic windows to sea and countryside, a romantic gas fireplace, an en-suite shower room, and a delightful bathtub positioned in front of the large window for complete relaxation. The suite opens onto a private terrace with two deck chairs. A second shower room serves the twin and double bedrooms.

OUTDOOR SPACES

The 800 m² Mediterranean garden is planted with olive trees, cork oaks and a large umbrella pine. A stone terrace with an antique marble table invites outdoor dining for 6-8 guests, and garden furniture creates a relaxed corner for evening drinks under warm lights. The private swimming pool measures 12.5 x 3 m, long enough for real laps, with automatic evening lighting. Two private parking spaces are available at the foot of the house.

ABOUT THE AREA

The villa sits on the highest point above the seaside at Calella, one of the most picturesque coastal villages in Catalonia. A 10-minute walk leads down to Golfet beach, a beautiful cove with clear water. From there, the coastal path continues along cliffs and pine forests toward Calella's whitewashed houses and fishing boats, or in the opposite direction toward the long natural beach of Castell. Hiking, snorkelling, diving and coastal viewpoints are all close by.
