Summary

Luxury 5-bedroom villa above Marbella with sea views, indoor spa, sauna, heated pools and panoramic terraces- perfect for a relaxing Mediterranean escape.

Description

This exceptional holiday villa rises above Marbella in a privileged hillside setting, offering sweeping views of the Mediterranean coastline and surrounding mountains. Designed for guests seeking a luxurious and tranquil escape, the accommodation spans three impressive levels and combines contemporary architecture with spacious interiors, outdoor living areas and indulgent wellness facilities. With five beautifully appointed bedrooms, five bathrooms and ample room for up to twelve guests, this is an ideal retreat for families or groups longing for comfort, privacy and an unforgettable Mediterranean stay.

Stepping inside, the ground floor divides naturally into two distinct wings. One side features two elegant bedrooms, each with a king-sized bed and en-suite bathroom. Opposite the bedrooms, the main living area is bathed in natural light thanks to floor-to-ceiling glass doors that wrap around the corner of the room and open directly onto the terrace. The living room provides a serene setting with large sofas, a fireplace and a television, while the dining space sits beside a fully equipped contemporary kitchen fitted with wooden cabinetry and high-spec Siemens appliances. A shaded patio next to the kitchen offers the perfect spot for lunch, alfresco dinners or easy poolside gatherings.

The outdoor spaces have been thoughtfully designed to take full advantage of the villa's elevated views. A

generous terrace stretches out toward the landscape, bordered by lush palms and vibrant shrubs that create both beauty and privacy. A large private swimming pool invites refreshing swims throughout the day, while chic loungers and parasols provide plenty of comfortable options for sunbathing or shaded relaxation. Beneath the overhanging roof at the front of the villa, a stylish lounge area is ideal for hosting drinks at sunset as the surrounding mountains shift in colour.

The upper level is dedicated to restful nights and serene mornings. The standout main suite features a king-sized bed, an en-suite bathroom with a freestanding bathtub and direct access to a corner terrace with breathtaking sea and landscape views. Large glass doors allow you to admire the scenery from bed or step outside for a peaceful moment in the morning sun. Two additional bedrooms, each with king-sized beds and en-suite bathrooms, complete the upper floor.

On the lower level, the villa reveals an entirely different world dedicated to wellness and evening enjoyment. A second lounge area offers a cosy and atmospheric ambiance with elegant seating, carpets and soft lighting-perfect for unwinding after a long day. This level also houses a luxurious spa area with a heated indoor pool and sauna, encouraging total relaxation throughout your stay. A bedroom with two bunk beds and its own en-suite bathroom is also located here, making it ideal for children or additional guests. A central staircase links all three floors, while an adjoining lift provides full accessibility.

Exterior grounds continue the sense of space and freedom, featuring a private heated pool, outdoor lounge furniture arranged to take in the panoramic scenery, a shaded dining table for alfresco meals and several sun loungers perfectly placed to enjoy Marbella's warm climate.
